

**TULSA AIRPORTS IMPROVEMENT TRUST
NOISE MITIGATION PROGRAM**

**REQUEST TO PARTICIPATE
(Sound Insulation Option)**

I (we) _____ certify that I (we) am the owner(s) of the property located at _____ and more particularly described as:

I (we) hereby voluntarily request to participate in the Tulsa Airports Improvement Trust Noise Mitigation Plan (hereinafter "NMP").

I (we) acknowledge that all NMP options have been explained to me (us) to my (our) satisfaction, that I (we) fully understand each option and that my (our) decision to participate is strictly voluntary.

I (we) hereby elect the Sound Insulation Option in exchange for execution of the avigation easement on the above described property. I (we) have reviewed the attached sample avigation easement and I (we) agree to sign such an easement upon my (our) written acceptance of the designs for acoustic modifications to be undertaken on the property. I (we) understand that the NMP Project Manager will not authorize the sound insulation work without execution of the avigation easement.

I (we) understand that any property defects that might presently exist are my responsibility and that the NMP design and construction personnel will be solely concerned with the acoustic modifications thereto. I (we) further understand that additional costs for final finishing work such as painting, staining, paneling, and wall papering of areas immediately surrounding new windows and doors and any increased expense of utility bills associated with the installation of a ventilation system are my (our) responsibility..

I (we) agree to allow representatives of the NMP Project Manager, design, engineering, and construction consultants and construction sub-contractor to have access to the property for the purpose of conducting acoustic measurements, acoustic modifications, and inspections. I (we) further agree to complete pre and post modification questionnaires concerning interior aircraft noise levels.

I (we) certify that I (we) am (are) the sole owner(s) of the above described property.

The other record owners of the above described property are: _____
